

## **REALTORS® Helping REALTORS® Fund**

**During the month of June, you have the opportunity to make a contribution to the newly created REALTORS® Helping REALTORS® fund when you pay your third quarter MLS dues. This fund has been established to assist REALTORS® who have suffered a life-threatening illness or injury which has left the member and his/her family in extremely difficult financial circumstances.**

*Both RAR and SVAR will be participating in this program. The suggested contribution is \$35, but any amount is appreciated and will support your fellow agents during their most difficult times. Contributions are not tax-deductible.*
